

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

DECLARATION FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original, first, joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:

COMPACT GERMICIDAL LAMP HAVING MULTIPLE WAVELENGTHS

,a copy of which is being filed herewith.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

I acknowledge the duty to disclose information, which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, section 1.56.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Request For Application Not To Be Published
(35 USC §122)

I hereby certify that the invention disclosed in the above-identified patent application being filed herewith has not and will not be the subject of an application filed in another country, or under a multilateral international agreement, that requires publication of applications 18 months after filing.

Therefore, it is requested that the above-identified patent application not be published after the expiration of a period of 18 months from the earliest filing date for which a benefit is sought.
